Members of the Public Employees' Retirement System and the Teachers' Pension and Annuity Fund who are military veterans are entitled to special retirement benefits. This fact sheet will help you determine if you qualify for veteran status in the pension plan.

Veteran status for World War II, the Korean Conflict, or the Vietnam Conflict can be granted as long as the member had at least 90 days of continuous active military service, any part of which fall within the dates listed above. Any honorably discharged member of the American Merchant Marine who served at least 90 days during World War II also qualifies for veteran status.

For veteran status for the Lebanon Crisis, Lebanon Conflict, the Grenada Conflict, the Panama Peacekeeping Mission, Operation Desert Shield/Storm, Operation Restore Hope in Somalia, or Operations Joint Endeavor or Joint Guard in the Republic of Bosnia and Herzegovina the member must have served at least 14 days in the country or region or on ships patrolling in the territorial waters of these nations. If the military service began after

the starting date of conflict, only one of the 14 days in the areas of hostilities must have fallen within the service dates specified. If the member's service started prior to the beginning of the period of hostilities, then the member must have served at least 14 days within the dates specified.

The full 90 or 14-day requirement for service is not required if the veteran was discharged because of a service-incurred disability.

Service with the Women's Army Auxiliary Corps (WAAC) and Women's Army Corps (WAC) qualifies for veteran status.

EXCLUSIONS

Absent Without Leave (AWOL) must be deducted from active service. If this reduces the active service to less than the 90 or 14-day service requirement, veteran status will be denied.

Veteran status cannot be granted if an individual received a dishonorable discharge, a discharge from the draft, disenrollment from the Coast Guard Reserve, or a discharge from the reserve with no evidence of active service in time of war.
